

Importing Citations from EBSCOhost Databases into RefWorks

VCU Libraries subscribes to more than 40 EBSCOhost databases, including Academic Search Complete, Business Source Complete, CINAHL, America: History and Life, SPORTDiscus, and more. Also included are the former WilsonWeb databases including Applied Science and Technology, Art Index, Book Review Digest, and more.

In EBSCOhost:

- Mark records to import by checking the **Add to folder** link just below the abstract or citation.
- A **Folder has items** section will appear in the column to the right of the results.
- Click **Folder View** in the **Folder has items** section.
- Select the box for **Select / deselect all** or the box in front of selected items.
- Click on the **Export** icon.
- Select **Direct Export to RefWorks**.
- Click **Save**.

In RefWorks:

- If you have not yet logged into RefWorks, you will be prompted for your username and password.
- Your citations will appear in the **Last Imported** folder.
