

Importing Citations from JSTOR into RefWorks

In JSTOR:

- Mark records to import by checking the boxes next to the citations
- Click on the **Save Citation(s) button** above the results list.
- Click on the **RefWorks** link

In RefWorks:

- If you have not yet logged into RefWorks, you will be prompted for your username and password.
- Your citations will appear in the **Last Imported** folder.

NOTES:

1. Unless you are saving citations into a MyJSTOR account, marked records have to be from one page of results at a time.
2. To return to your results or to the search page, use the browser Back button.
