

**Electronic Nursing Journals**  
**Tompkins-McCaw Library**  
<http://www.library.vcu.edu/>

**OID Nursing Journals: Journals@Ovid Full Text <http://gateway.ovid.com/autologin.html>**

VCU faculty, students and staff have access to 17 nursing and clinical medicine journals available through OVID Nursing Journals. This is a VIVA shared resource available to all members of the VIVA consortium. The journals include: American Journal of Nursing; American Journal of Obstetrics & Gynecology; Anesthesia & Analgesia; Anesthesiology; AORN Journal; Cancer Nursing; Clinical Pharmacology & Therapeutics; Computers in Nursing; Geriatric Nursing; Heart & Lung: Journal of Acute & Critical Care; JOGNN - Journal of Obstetric, Gynecologic, & Neonatal Nursing; Journal of Advanced Nursing; Journal of Emergency Nursing; Journal of Nursing Administration; Nurse Educator; Nursing & Health Care Perspectives; Nursing Standard.

Five years of coverage is available for most of these titles. Articles may be browsed, searched, printed, downloaded or emailed. Note: Citations to articles from OVID Nursing Journals often appear in CINAHL before the full-text is available.

**Other Electronic Nursing Journals: <http://www.library.vcu.edu/ejournals/index.html>**

VCU Libraries adds electronic holdings on a frequent basis. Be sure to consult the library catalog or the Online Journal Search Page often for the most current holdings. To generate a current list of nursing titles perform a phrase search for nurs

Note: Not all titles are complete electronic surrogates. In many cases only limited articles are included and often illustrations and images are missing, particularly for articles more than two years old. Be sure to consult the hard copy issues of journals available in Tompkins-McCaw Library.

**The Online Journal of Knowledge Synthesis for Nursing <http://www.stti.iupui.edu/library/ojksn/>**

The library's oldest electronic nursing journal.

## Nursing Resources

<b>Books and Online Books</b>	<b>Internet Guides</b>
<b>Journal Indexes and Databases</b>	<b>Online Journals</b>
<b>Professional Associations</b>	<b>History Sites</b>
<b>Government Agencies</b>	<b>Other Useful Sites</b>

VCU Available on both campuses OR off-campus via a non-VCU Internet account with proper setup OR off-campus via a VCU computer account. Also see Help for off campus users for more information on remote access.

### Books and Online Books

To search for books, journals, and audiovisual materials held by the **VCU Libraries**, use the VCU Library Catalog (DCAT Web). The VCU Library Catalog allows you to search by title, author, keyword and subject. To determine the appropriate subject heading for a topic, consult the lists of *Medical Subject Headings* or *Library of Congress Subject Headings* in the libraries. Possible medical subject headings include: nurse administrators, nurse clinicians, nurse practitioners, nursing, nursing assessment, nursing care, nursing process, nursing research, and nursing theory

To search for materials from other libraries, use the WorldCat on OCLCFirstSearch. VCU

To find online books search NetLibrary a collection electronic books from leading university, trade and professional publishers including over 50 nursing titles.

### Journal Indexes and Databases

CINAHL: Cumulative Index to Nursing & Allied Health Literature

Leading research from publications in the fields of nursing and allied health from 1982 to the present.

MD Consult VCU

A clinical library online including reference books, journals, and patient education materials.
